RECYCLING REMINDERS

Alternate accessible formats available on request.

Place all waste and recycling at the curb by 7 a.m. on collection day. Pickup times can vary due to holidays, construction, traffic delays, local events, weather, etc.

Keep recyclables loose in a blue bin no larger than 2 feet tall by 18 inches wide, not bagged or in a cart. Cardboard boxes MUST be broken down. No recycling separation needed.

Keep collection area clear for safe access by collection trucks. One truck (two compartments) will collect waste and recycling at the same time!

If your collection is missed due to weather or a mechanical issue, try placing it out again the next day in case of a second pickup attempt.

Have collection questions/concerns? Contact Waste Management directly at 1-888-730-3344.
